

Report on Audition/Interview for Paid Volunteers

India AI Impact Summit 2026

An audition and interview process for the selection of paid volunteers for **India AI Impact Summit 2026** was conducted on **22 January 2026**. The volunteers selected through this process will be deployed during the **AI Summit INDIA**, scheduled on **16th –20th February 2026** at **Bharat Mandapam**.

The audition was organised by **Golden Faces**, an event management organisation associated with the summit. The selection process was conducted by an authorised representative from Golden Faces, who assessed the participants on parameters such as communication skills, confidence, teamwork, and suitability for event-related responsibilities.

Nearly **200 students** participated enthusiastically in the audition process. The students were briefed about the nature of responsibilities during the summit, which include **backhand management** and **stall representation**.

The selected volunteers will receive a stipend as per the following structure:

- **Rs. 1000/- per day** for backhand management duties
- **Rs. 1500/- per day** for stall representation duties

The audition process provided students with an opportunity to gain hands-on experience in managing a national-level summit, develop professional skills, and earn a stipend while contributing to a prestigious event.
