

Maharaja Agrasen Institute of Technology, Delhi  
Department of Mechanical and Automation Engineering

## Technical Webinar on “Production: Non-traditional Machining Methods”

Maharaja Agrasen Institute of Technology, Delhi in collaboration with ACE Engineering Academy conducted the technical webinar on the topic “**Production (An insight on Non-traditional machining Methods)**” on 13<sup>th</sup> December 2021 for the students of Mechanical and Automation Engineering department. Mr. Ravikiran Doiphode, Sr. Faculty member at ACE, COEP Pune Alumnus was the key note speaker of the event. The speaker discussed the various unconventional methods available for machining of very hard materials along with their significance and applications. Speaker also highlighted the ongoing research in this particular area and aware the students about the same. The session was very informative and technical for the students. In the end, speaker invited the students for a offline seminar in near future.
