Webinar on “Strategy for GATE/IAS”

A one day webinar on “Strategy for GATE/IAS” was conducted for the students of MAIT on 18th September 2020 by Beacon, a coaching institute under Vishwaroop Education Pvt. Ltd. The webinar was organized to share the information about interview preparation, personality development, examination pattern, and various PSUs recruiting through GATE. Students interacted with the faculties of institute and cleared their doubts regarding GATE and IAS preparation. The session was very informative and interactive for our students. It will aid them in their social as well as professional life and in further career enhancement.
